We need to raise £600,000.

From construction and rebranding initiatives, the final project is an exciting opportunity to give new life to a historic building.

Be a supporter!

BRONZE SUPPORTER: Donate or raise up to £1,000 and be a recognised supporter, enjoy exclusive site visits whilst the building is under construction and help us place a bale in the wall on site.

SILVER SUPPORTER: Donate or raise over £1,000 and have your name, or the name of your group, carved into the larch cladding around the main entrance of the building, in addition to the benefits of being a Bronze Supporter.

GOLD SUPPORTER: Donate or raise over £10,000 and have your name, or the name of your group, carved into the larch cladding around the main entrance, picked out in a colour of your choice, in addition to the benefits of being a Silver Supporter.

For more information, volunteering opportunities and donations please contact: Steve Biggs - General Manager 01748 822815 steve@just-the-job.org.uk

If we are unsuccessful in our fundraising and the project fails to go ahead we will provide the option of returning donations over £100, otherwise donations will support the ongoing work of Just the Job in the community.
